- Soil & water conservation(25%)
- Community activities (25%)

One local candidate/couple will be selected to compete at the State Outstanding Young Farmer Competition in January 2022.

Progress in Agricultural Career

1. How and when did you get started?
2. Why did you enter the farm operation? What were your goals when you began? What are they now?
3. What challenges have you faced and overcome?
4. What farm records are kept and how are they used in management analysis?
5. Brief overview of the farm operation today.

Soil & Water Conservation

6. Describe any soil and water conservation practices used on your farm? (Soil improvement, erosion control, water management, nutrient management, etc.)

Community Activities

7. Describe your involvement in the community and/or within the ag industry.
8. Additional comments or information.

I hereby verify that the information stated on this Marathon County Outstanding Young Farmer application is correct to the best of my knowledge.
